Transfer Requirements

CELT recommends that students aged under 18 have an airport transfer arranged by the school from the port of entry to the student's homestay accommodation; all licenced taxi and private hire drivers used for this have an Enhanced DBS / "police check". The reverse procedure applies on departure. However, parents/ guardians can give their written permission for alternative arrangements, such as a family member meeting the student at the airport, if required. CELT will provide appropriate guidance and support if necessary.

You are advised to visit the following website to ensure that your son/daughter meets the UKBA requirements for travelling to the UK if under 18 (with or without an adult):
